This is the official questionnaire for this address.

It is quick and easy to respond, and your answers are protected by law.

FOR OFFICIAL USE ONLY

that you did not include in Question 1?

Mark X all that apply.

Start here OR go online at [url removed] to complete your 2020 Census questionnaire.

Before you answer Question 1, count the people living in this house, apartment, or mobile home using our guidelines.

Count all people, including babies, who live and sleep here most of the time.

Use a blue or black pen.

 If no one lives and sleeps at this address most of the time, go online at full removed or call the number on page 8.

The census must also include people without a permanent place to live, so:

 If someone who does not have a permanent place to live is staying here on April 1, 2020, count that person.

The Census Bureau also conducts counts in institutions and other places, so:

- Do not count anyone living away from here, either at college or in the Armed Forces.
- Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2020.
- Leave these people off your questionnaire, even if they will return to live here after they leave college, the nursing home, the military, jail, etc. Otherwise, they may be counted twice.
